Education

RCCIIT, Kolkata *2024 – Present*
Master of Computer Applications (MCA)
CGPA: 7.6

SITM College, Kolkata *2021 – 2024*
Bachelor of Computer Applications (BCA)
CGPA: 8.57

Projects

Sentiment Analysis using Machine Learning *Python, Pandas, NLTK, Scikit-learn, Matplotlib*
Developed and trained a machine learning model to classify text sentiments as positive, negative, or neutral. Performed data pre-processing, feature engineering, model training, and evaluation on textual datasets. Visualized sentiment trends and insights to support data-driven decision-making.

HangOutHub *Spring Boot, MySQL, HTML, TailwindCSS*
Developing a Spring Boot web application for exploring and managing hangout locations with responsive UI and CRUD operations using MySQL. Currently integrating an AI agent to enhance user interaction and recommendations.

E-Commerce Data Analysis *Python, NumPy, Pandas, Seaborn, Matplotlib*
Analyzed e-commerce datasets to identify customer behavior patterns and purchasing trends. Created visual dashboards and reports to support data-driven business decisions.

Experience

Data Analyst–QVC Group *Dec 2025 – Present*
- Manage vendor databases and maintain data accuracy across business records.
- Perform data cleaning, validation, and reporting using Excel and CRM tools.
- Work with Zoho CRM for lead tracking, customer data management, and reporting.
- Analyze website enquiries and prepare structured reports for stakeholders.
- Support procurement SaaS operations through data collection and analysis.
- Assist in onboarding and training interns on website workflows and internal processes.

Web Developer–Euphoria GenX *Jan 2024 – May 2024*
- Gained hands-on experience in full-stack development using HTML, CSS, JavaScript, PHP, and MySQL.
- Built responsive web applications and implemented CRUD functionality.

Skills

Programming: Python, Java, PHP, C, JavaScript
Data Analytics: Excel, Data Cleaning, Data Validation, Data Visualization, Reporting
Web Technologies: HTML, CSS, Bootstrap, TailwindCSS
Frameworks & Tools: Spring Boot, Git, GitHub, VS Code, Zoho CRM
Database: MySQL

Training

Mobile & Web Technology – RCCIIT *Nov 2024 – Feb 2025*
Learned full-stack development using HTML, CSS, JavaScript, Spring Boot, and MySQL.

Low-Code/No-Code – Anudip Foundation *Oct 2023 – Jan 2024*
Learned Python fundamentals, Excel operations, and professional communication skills.

Certifications

- Microsoft Excel – Beginner to Advanced with Data Analysis & AI – Udemy
- Programming Using Java – Infosys Springboard
- Mobile & Web Technology – RCCIIT
- Industrial Training – Euphoria GenX
- Data Analytics (Low-Code/No-Code) – Anudip Foundation
